**The Daughter of Fantomas (French Mystery)** Pierre Souvestre, Marcel Allain

Fantômas rises from the grave (literally), having just escaped from the clutches of the Hangman of London, and leads his two nemeses, Policeman Juve and Journalist Fandor, on a wild chase that takes them from a plague-infested ocean liner to the deadly wastes of the South African Transvaal. Their goal: to rescue the only person the Lord of Terror truly loves: his daughter, the beautiful Hélène... Never before translated, classic crime novel The Daughter of Fantômas, originally written in 1911, is adapted by Mark P. Steele who also adapted the Illuminatus! comics for Rip Off Press. "The opium-smoking, male-drag-donning, death's-head-tattooed daughter of Fantômas, Hélène is a bad girl at least half a century ahead of her time." Elliott Smith.
