**An up close look at an investment strategy that can handle today's uncertain financial environment**

Market uncertainty cannot be eliminated. So rather than attempt to do away with it, why not embrace it? That is what this book is designed to do. *The Permanent Portfolio* takes you through Harry Browne's Permanent Portfolio approach—which can weather a wide range of economic conditions from inflation and deflation to recession—and reveals how it can help investors protect and grow their money.

Written by Craig Rowland and Mike Lawson, this reliable resource demonstrates everything from a straightforward four-asset Exchange Traded Fund (ETF) version of the strategy all the way up to a sophisticated approach using Swiss bank storage of selected assets for geographic and political diversification. In all cases, the authors provide step-by-step guidance based upon personal experience.

- This timeless strategy is supported by more than three decades of empirical evidence
- The authors skillfully explain how to incorporate the ideas of the Permanent Portfolio into your financial endeavors in order to maintain, protect, and grow your money
- Includes select updates of Harry Browne's Permanent Portfolio approach, which reflect our changing times

*The Permanent Portfolio* is an essential guide for investors who are serious about building a better portfolio.
