Antler, Bear, Canoe: A Northwoods Alphabet Betsy Bowen

In this companion to *Gathering: A Northwoods Counting Book* Betsy Bowen again captures the vibrant magic in each northwoods day through effortless prose and colorful woodcuts. While the canoe waits beneath the heavy snow and the river freezes over, bears turn in for long winter naps and people spend time reading by the fire or bundled up in layers. But when spring comes, it's time for kayaking, fishing, and listening to the quiet pond sounds of the new season. All of this and more is celebrated in Bowen's warm and unusual alphabet book that introduces children to the cyclical rhythms of life in our country's northern states.
