Bewitching Jill Barnett

What's a duke to do when a carefully selected bride rejects him rather than marry without love? He salvages his pride by marrying the next woman who falls into his arms. Joyous Fiona MacQuarrie bewitched the Duke of Belmore the moment she appeared from nowhere and knocked him over...literally. Joyous MacQuarrie is a Scottish witch whose powers of white magic are not always easy for her to control. When Alec's pride makes him choose to marry her, Joy turns the life of the most serious and snobbish duke in England upside down. Too soon Alec finds his well ordered and controlled life a mess, because he married a witch--one who turns him to fire when he kisses her, who charms everyone around her, and threatens to destroy both their lives as scandal looms over her. Too late, Joy discovers she's desperately in love and not even the strongest magic can seem to turn her into a proper duchess, or make her husband love her. Passion holds them spellbound in an irresistibly funny and tender tale of two opposite but lonely hearts.
