El Arquitecto de Atmósferas (Narrativas Oblicuas nº 11) (Spanish Edition) Alberto Trinidad

El Arquitecto de Atmósferas es el programa de radio que un singular y atormentado personaje va a utilizar para llevar a cabo una trascendental terapia. Tres de sus oyentes, cada uno de ellos sujeto a una curiosa y particular colección que domina emocionalmente sus vidas, se verán inevitablemente atraídos por el devenir de esta terapia.

El Arquitecto de Atmósferas es una enigmática historia de sentimientos y actitudes extremos que mezcla la soledad infinita de un ser que ya no quiere ser humano con la opresión de la locura en un psiquiátrico, la indolencia agria de una relación de pareja que se agota y la histeria de una bióloga que siente una llamada orgánica imposible. Una fascinante narración que a medida que avanza crece en intensidad hasta verse abocada a un final impetuoso.
