Investing in India: A Value Investor's Guide to the Biggest Untapped Opportunity in the World (Wiley Finance) Rahul Saraogi

A practical, real-world guide to investing in India

India's rapid economic growth offers obvious opportunities for foreign investors, but making wise investing decisions can be difficult for any investor without a deep knowledge of the country and its culture. With a vibrant democracy and an active press, India can be a complex and chaotic place in which investors can find it difficult to make investing decisions with confidence. This book offers an on-the-ground perspective on India from one of India's most successful value investors. Looking deeply into the internal realities that impact India's investment climate, *Investing in India* helps investors both inside and outside the country cut through the noise and find the facts that truly matter for anyone who wants to invest there.

- Features charts of stocks, markets, and other helpful Indian economic indicators
- Offers a real-world look at India's politics and governance; its financial system and capital markets; its asset classes and equity markets; the private equity scene; and the real estate market
- Written by Indian value investing guru Rahul Saraogi
