## **Le Stagioni della Vita (Italian Edition)** Giorgio Barbagelata

La nuova raccolta di poesie di Giorgio si presenta come un film, le cui sequenze si intrecciano con efficacia tra presente e passato, con l'apertura di toccanti "flash back".

È il film della sua vita recuperata nei momenti essenziali e più significativi che hanno scandito il passaggio dalla giovinezza alla maturità.

Il passato è rivissuto con acuta nostalgia per la pienezza della vita sperimentata nella comunione con la natura e nella condivisione dell'amicizia.

Il presente si nutre di riflessioni, di constatazioni, di presentimenti. Cambia la direzione dello sguardo sulla natura, che non è più assaporata nella intensità di un rapporto coinvolgente anima e corpo, ma è rivisitata come emblema tangibile dell'esistenza umana: lo splendore della primavera, la scansione delle giornate estive piene di sole, i vividi colori dell'autunno che si accendono con inusitata forza, come forme di resistenza estrema nell'attesa del grigiore invernale.

Sono le stagioni della vita che solo chi ha raggiunto la piena maturità può recuperare in una dimensione unitaria, nella ricerca del senso del vivere.
