Equal parts memoir, how-to and social satire, **Mistress Ruby Ties it Together** is a guided tour through New York's S underworld, where the author worked as a professional dominatrix to subsidize her writing career. As Mistress Ruby, this former Catholic school girl took confessions from some of the country's most powerful men. Within the sanctity of the dungeon, they revealed to her their darkest lusts, fears and frailties -- as well as their sincere desire to connect with the opposite sex. Each of these provocative essays provides an insider's view of human deviation; together, they present a startling portrait of our everyday selves.

**Mistress Ruby** is a striking, candid, and humorous look behind the dungeon doors to a darker -- and often unexplored -- side of human nature.
