Noah (Nightwalkers, Book 5) Jacquelyn Frank

She will take him beyond his wildest dreams. As Demon King, Noah is dedicated to protecting his kind from their human and Nightwalker enemies. Yet for six months he has struggled with vivid dreams that threaten his very sanity. Every night he's tormented by images of a woman both achingly real and tantalizingly beyond his grasp. And his bone-deep need leaves him no choice but to force her to leave the life she's known and enter a world beyond her imagining... Every day, Kestra risks her life in perilous missions that veer just shy of the law, but she instinctively knows that the imposingly sensual figure before her is a danger unlike any she's ever faced. Kestra has sworn never to trust or need another man, but Noah's lightest touch scorches her with fevered desire, branding her as his mate, blinding them both to the terrifying truth. For within the ranks of their own people lies an adversary growing in number and power. And nothing and no one will be safe again...
