# Nonprofit Governance: Law, Practices, and Trends

Bruce R. Hopkins, Virginia C. Gross

**Nonprofit Governance: Law, Practices, and Trends** Bruce R. Hopkins, Virginia C. Gross

**A complete analysis of the law, practices, and trends of nonprofit governance from two of the nation's leading lawyers on the law of tax-exempt organizations**

Recent scandals in the charitable sector as well as the adoption of a myriad of nonprofit best practices and guidelines have created a need and demand for better governance of nonprofits. In *Nonprofit Governance*, renowned author Bruce R. Hopkins and his law partner, Virginia Gross, share their combined decades of legal expertise to provide a comprehensive, authoritative examination of the law, practices, and trends of nonprofit governance.

In this comprehensive, one-stop resource, Hopkins and Gross deftly summarize the law that exists and explain and evaluate the many good governance principles that have been promulgated. *Nonprofit Governance* helps leaders and managers of nonprofit organizations, and their lawyers, accountants, and advisors, to:

- Understand the legal backdrop for nonprofit governance
- Sift through the numerous good governance principles and guidelines
- Select the ones that most appropriately apply to their particular organization
- Devise suitable policies and procedures
- Improve their operations and effectiveness
- Undertake a comprehensive governance legal audit
- Be in a position to file Forms 990 that cast them in the best possible light regarding nonprofit governance

*Nonprofit Governance* is a must-read for anyone facing good governance decisions in a nonprofit organization and is lost in the maze of conflicting principles, ever-increasing policies and procedures, murky law, and the intensity of the IRS in insisting on adoption of various principles in the absence of legal requirements for them.
