The 2010 Elections in Florida: It's The Economy, Stupid! (Patterns and Trends in Florida Elections)

Robert E., Jr. Crew

This book places the 2010 elections in Florida in historical context and offers insight into and an explanation for the substantial gains made by the Republicans that year. This book provides narratives of gubernatorial, U.S. Senatorial, congressional, and state legislative campaigns along with empirical data on voter registration, voter turnout, and the electoral behavior of groups in the Florida electorate. It also speaks to the importance of national forces on state level elections and the impact of external advocacy groups in such elections.
