The China-Latin America Axis Gastón Fornés, Alan Butt Philip

The impressive growth of trade and investments between China and Latin America in the last few years has attracted the attention of the business world and policy makers; this book is one of the first to explore and analyse this relationship in detail. It studies the trade, investment, and business of the main players at both the country/region and company levels in the current context of globalization and the growing importance of emerging markets in the world economy. The authors conclude with a set of likely scenarios and recommendations for business managers, policy makers, and researchers.
