When art history grad student Lynn Fleming finds out that Wylie, her younger brother, has disappeared, she reluctantly leaves New York and returns to the dusty Albuquerque of her youth. What she finds when she arrives is more unsettling and frustrating than she could have predicted. Wylie is nowhere to be found, not in the tiny apartment he shares with a grungy band of eco-warriors, or lingering close to his suspiciously well-maintained Caprice. As Wylie continues to evade her, Lynn becomes certain that Angus, one of her brother's environmental cohorts, must know more than he is revealing. What follows is a tale of ecological warfare, bending sensibilities, and familial surprises as Lynn searches for her missing person.
