## **Where's the Beach?** D. Richards

Zeke, the zebra, is out for a new adventure. The snow is gone and he wants to try the beach. As we now know, Zeke puts his heart and soul into whatever he undertakes. He takes just a moment to pack, then heads out on his bike for the beach. He soon runs across a sale in town and purchases a surfboard and a map, loads his bike, and off he goes. It's not long before he discovers that the map has flown off and that he is lost. Finding a spot in the warm sunshine, he stops for a moment to think about what has happened, only to discover that some ants were having a bite to eat. He jumped onto his bike, and still not ready to quit, found a sign that returned him on his way to the beach. Zeke enjoyed his day at the beach, and stayed cool in the water. He was a success just as he had planned, and went on his way back home.
