## **Federal Judges Revealed** William Domnarski

The power and influence of the federal judiciary has been widely discussed and understood. And while there have been a fair number of institutional studies--studies of individual district courts or courts of appeal--there have been very few studies of the judiciary that emphasize the judges themselves. **Federal Judges Revealed** considers approximately one hundred oral histories of Article Three judges, extracting the most important information, and organizing it around a series of presented topics such as How judges write their opinions and What judges believe make a good lawyer.
