Moonrise, Sunset

Gopal Baratham

Moonrise, Sunset Gopal Baratham

Hours after agreeing to marry How Kum Menon, Vanita Sundram is murdered, stabbed while asleep in her fiance's arms. More killings follow, and the reluctant and grieving How Kum is swept up in the police investigation. As time passes and the murders remain unsolved, several self-proclaimed 'experts' muscle in: How Kum's drunken 'Uncle' Oscar with his underworld links; the unlikely double-act of an American psycho-sexual healer and his matronly psychic sidekick; and a Hindu holy-man...

A political thriller in the tradition of Graham Greene and Eric Ambler, Moonrise, Sunset enhances Gopal Baratham's reputation as Singapore's most brilliant and controversial writer.

From reader reviews:

Denise Barnhart:

Do you have favorite book? When you have, what is your favorite's book? Publication is very important thing for us to find out everything in the world. Each book has different aim or maybe goal; it means that book has different type. Some people truly feel enjoy to spend their time for you to read a book. They may be reading whatever they get because their hobby is actually reading a book. Think about the person who don't like looking at a book? Sometime, particular person feel need book when they found difficult problem or perhaps exercise. Well, probably you'll have this Moonrise, Sunset.

Anthony Vice:

With other case, little individuals like to read book Moonrise, Sunset. You can choose the best book if you'd prefer reading a book. Providing we know about how is important a book Moonrise, Sunset. You can add information and of course you can around the world by just a book. Absolutely right, since from book you can know everything! From your country till foreign or abroad you can be known. About simple factor until wonderful thing you could know that. In this era, we could open a book as well as searching by internet product. It is called e-book. You may use it when you feel uninterested to go to the library. Let's study.

Susan Brooks:

Precisely why? Because this Moonrise, Sunset is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will zap you with the secret the idea inside. Reading this book adjacent to it was fantastic author who all write the book in such incredible way makes the content inside of easier to understand, entertaining means but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of gains than the other book include such as help improving your ability and your critical thinking means. So , still want to hold off having that book? If I have been you I will go to the book store hurriedly.

John Yang:

Don't be worry when you are afraid that this book will filled the space in your house, you could have it in e-book approach, more simple and reachable. This Moonrise, Sunset can give you a lot of good friends because by you checking out this one book you have issue that they don't and make anyone more like an interesting person. This particular book can be one of one step for you to get success. This book offer you information that perhaps your friend doesn't learn, by knowing more than other make you to be great men and women. So , why hesitate? We need to have Moonrise, Sunset.
