Nothing Abides: Perspectives on the Middle East and Islam Daniel Pipes

Daniel Pipes has collected some of his sharpest and most prescient writings from the quarter century 1989–2014. In them, he addresses a range of current topics, from the origins of the civil war in Syria to denying the Islamic factor in terrorism, to the way to resolve the Arab-Israeli conflict. Pipes pursues two themes in particular: the internal instability of Muslim-majority countries, in which nothing abides, and the expression of Muslims' drive to apply Islamic law.

Pipes' interests concentrate on the Middle East as understood from a historical point of view and on the role of Islam in politics. Divided into five thematic sections, this work addresses the Arab-Israeli conflict, Middle Eastern politics, Islam in modern life, Islam in the West, and individuals connected to American Islam.

Pipes' deep knowledge, gained over forty-five years of study, combined with incisive writing and a well-regarded courage to speak out on controversial topics make *Nothing Abides* a compelling read for Middle East specialists, students, and the interested public.
