The people of ancient India understood that most humans are incomplete without an intimate partner, a soul mate to share life's journey. Drawing upon astrology, Ayurveda, and dharma type--your personality and spiritual purpose archetype--they developed detailed systems to analyze physical, emotional, and spiritual compatibility between people. This analysis encouraged joyous relationships by revealing the sexual compatibility of a couple, the innate relationship conflicts they face, and their potential for financial success together. In this way, couples were able to distinguish biological attraction from long-term compatibility, lust from love, and soul mates from playmates.

Sharing ancient Vedic secrets of sex, love, health, and dharma, Simon Chokoisky explains how to prepare your mind, body, and spirit for the right partner and how to determine if a potential mate is a good match for your unique chemistry. He provides self-tests to determine your dharma type and outlines unique ayurvedic diet, exercise, detox, and lifestyle tips for each type to reclaim your health and vitality and, by doing so, your sexiness. He explores how the dharma types align in relationships to create harmony or disharmony, giving quick and simple insights about which dharma pairings work and which ones need work. Highlighting the skills inherent to each dharma type, he makes suggestions on how to improve day-to-day relationships for personal and financial benefit and to build lifelong romance that grows into a spiritual union. Moving to the bedroom, the author details methods for attracting a mate as well as practical techniques for improving your sex life, including the best time to have sex during the day and month.

Showing how knowing who you are will help you find your right mate, and keep away those unsuitable for you, Chokoisky explains how living your dharma helps you flow with nature in a way that makes life and your relationships more fulfilling.
