*The Faerie Queene* is a scholarly masterpiece that has influenced, inspired, and challenged generations of writers, readers and scholars since its completion in 1596. Hamilton's edition is itself, a masterpiece of scholarship and close reading. It is now the standard edition for all readers of Spenser. The entire work is revised, and the text of *The Faerie Queene* itself has been freshly edited, the first such edition since the 1930s.

This volume also contains additional original material, including a letter to Raleigh, commendatory verses and dedicatory sonnets, chronology of Spenser's life and works and provides a compilation of list of characters and their appearances in *The Faerie Queene*.
