*Beyond Violence: A Prevention Program for Women* is a forty-hour, evidence-based, gender-responsive, trauma-informed treatment program specifically developed for women who have committed a violent crime and are incarcerated. This program offers counselors, mental health professionals, and program administrators the tools they need to implement a gender-responsive, trauma-informed treatment program within the criminal justice system. This Participant Workbook helps participants understand the relationships between thoughts, feelings, and behaviors; learn new skills, including communication, conflict resolution, decision making, and calming soothing techniques; and become part of a group of women working to create a less violent world.
