## Craddock on the Craft of Preaching Fred B. Craddock

No one has had more impact and influence on the craft of preaching in the last several decades than Fred Craddock.

After his retirement from a distinguished teaching career, he became free to share his wisdom with a wider audience. His lectures and workshops show an ever-expanding scholarship beyond his published books. This book has gathered the “best of the best” of these lectures/workshops and offers them to preachers and students of preaching for critical reflection and increased effectiveness.
