The Galvanized Yankees **Dee Brown**

The awe-inspiring true story of a group of Confederate soldiers who served in the Union Army

Historian Dee Brown uncovers an exciting episode in American history: During the Civil War, a group of Confederate soldiers opted to assist the Union Army rather than endure the grim conditions of POW camps. Regiments containing former Confederates were not trusted to go into battle against their former comrades, and instead were sent to the West as “outpost guardians,” where they performed frontier duties, including escorting supply trains, rebuilding telegraph lines, and quelling uprisings from regional American Indian tribes, which were sweeping across the Plains. This is an account of an extraordinary, though often overlooked, group of men who served in unexpected ways at a pivotal moment in the nation’s history.

This ebook features an illustrated biography of Dee Brown including rare photos from the author’s personal collection.
