Freedom of Artistic Expression: Essays on Culture and Legal Censure Paul Kearns

This book presents a unique and comprehensive examination of the human and moral rights of artists. In what is arguably the first exhaustive book-length account of artists' rights, Paul Kearns explores the problems associated with censorship, both from philosophical and legal perspectives, and focuses on the various ways in which the morality of art is legally regulated in different jurisdictions. In relation to human rights, English, French and American law, the law of the European Convention on Human Rights, European Union law and public international law are all closely scrutinised to discover the extent to which they offer protection for artistic freedom. The author also examines domestic and international law in respect of artists' moral rights, the law of copyright and related laws. In short, the book provides an original, and sometimes controversial, analysis of persistent concerns regarding the legal regulation of the arts universally, doctrinally and theoretically, and seeks to offer an holistic treatment which will appeal to art lawyers, artists and those interested in the future of the arts.

Your knowledge can inspire others, make them reading a guide.

Robert Barker:

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Freedom of Artistic Expression: Essays on Culture and Legal Censure can make you really feel more interested to read.
