The blind date from hell is about to get hotter...

Brianne Nave is never doing her friends a favor again. When they begged her to go on a blind date, she didn't expect someone so perfectly gorgeous. She's a mousy librarian—totally not in this man's league. And judging by his odd reaction when she opens the door, he knows it, too.

Air Force Pararescuer Ryan Flannery avoids his hometown at all costs. He's not thrilled about the date until he's shocked silent by the prickly little librarian's sweet curves and kissable lips...and her smart mouth. But then an argument leads to a kiss that spirals out of control. How can two people have so little chemistry outside the bedroom when they fit together so perfectly in it?

When their friends strand them in a cabin to "work things out," Bri's not sure whether to kill him or put the industrial-sized box of condoms they find to use. Bottom line—Ryan's career military and hates the tiny town she loves. He'll leave, just like everyone else in her life. And if she's foolish enough to give him her heart, he'll take it with him.
