Second Sight Dating Marianne Stephens

Blush: This is a suggestive romance (love scenes are not graphic). Psychic Serena Xavier owns Second Sight Dating, a matchmaking business. Although successful in matching others, her "second sight" failed miserably in finding herself a trustworthy man. Detective Dan Carrington becomes one of her clients as part of an undercover investigation. His job is to find out if her business is legitimate or a cover for a sex-for-hire scheme, possibly with mob connections. All vibrations from Dan lead Serena to believe he's being honest with her. Upon catching him snooping through her files, she has to consider the possibility that he's a gigolo looking to secure clients through her business. Despite doubts about each other's honesty, a growing attraction leads to a night of passion. Serena wonders who he really is, as Dan ponders her true business motives.
