## **Intuitive Imagery** Susan E. Mehrtons, John B. Pehrson

Intuitive Imagery puts the discoveries of modern science to work through a simple, proven technology to meet the challenges of our fast-paced changing world. This book shows you how to harness the wisdom of your inner images to achieve peak performance in both business and personal life. Results include greater creativity, better decision making, enhanced productivity, the unlocking of blocked potential, accelerated learning, increased success, and a sense of greater well-being. Learning to use intuitive imaging is like finding a new set of lenses through which to view the world. It helps us change our beliefs about how we know what we know so we can begin to restructure how we do what we do.

John B. Pehrson is president of Creative Change Technologies, a training and consulting firm to individuals and organizations focusing in the areas of creativity, deep team building, and executive coaching. John is a former executive with DuPont and has over 20 years of broad international business experience that includes business and technology management, strategic planning, product development, manufacturing, sales and marketing. He lives in Signal Mountain, TN.

Susan E. Mehrtons is president of The Potlatch Group, a research organization specializing in analysis of business trends related to global evolution and social change. Her clients range from Fortune 500 companies like AT&T, DuPont, General Motors, and Sears to smaller businesses, schools, and private foundations such as The Institute of Noetic Sciences and the World Business Academy. Sue is the co-author of Earthkeeping, an ecology text, and The Fourth Wave, a vision of business in the 21st century. She lives in Mineola, NY.
