Middle East Burning

Mark Hitchcock

Middle East Burning Mark Hitchcock

With nearly 20 Bible prophecy books published, Mark Hitchcock has distinguished himself as a trustworthy and solidly biblical prophecy teacher.

Middle East Burning helps make sense of the bewildering firestorms raging in the Arabic-Israeli world. Widespread revolutions in multiple Arab nations. New powers rising to challenge entrenched despots and ruling bodies. Bitter new conflicts further enflaming the many already in place. And a pall of uncertainty over how it will all play out.

Indeed the Middle East is burning. How can we make sense of it all? At first glance the many hotspots may seem without a pattern, without rhyme or reason. But a look at Scripture helps paint a clear picture of what's taking place, giving insight on current events in Egypt, Libya, Sudan, Russia, Turkey, Iran, Syria, and more.

A riveting and timely survey of things now and things to come!
