## One Safe Place: A Novel (Zane Presents) Alvin L. A. Horn

Friends and foes, politicians and lovers intersect in this exciting novel of love, lust, and crime in the Emerald City.

In *One Safe Place*, lightning strikes of dilemmas and storms of lustful deeds intertwine with the well-thought citizens, as well as the criminal-minded. Under Seattle's cloudy skies, the morally minded kiss the sexual deviant for advancement of careers and social status. Once again Alvin L.A. Horn rains down love, lust, and crime in the pursuit of clear skies in the Emerald City.

Everyone wants and needs one safe place, and former secret service agent Psalms Black puts thoughts and actions into his social righteousness. He knows how to exact revenge by any means necessary. His sexy lover, Gabrielle Brandywine, used to be the most powerful woman in the world as the Secretary of State of the United States. She still has clout, but has personal issues that can derail Psalms' desired purpose in life. He and his friends are stealthy and tend to interpret human nature with skillful cleverness. In the mix though, are their own lives and love, and sexual issues must be controlled to complete missions.

Life is complicated when the deviant creep out of waters and from behind snow-capped mountains and mix with politics, sex, and dark money shadows. If evil acts occur like putting hands on a woman, or threatening a child, or harming a friend, you better hope Psalms Black and his friends don't find out or someone could come up missing, or wish they had. Whether someone is on the right side of morality or if someone steps over the line, everyone wants and needs *One Safe Place*.
