Proper Greatest Quotes - Quick, Short, Medium Or Long Quotes. Find The Perfect Proper Quotations For All Occasions - Spicing Up Letters, Speeches, And Everyday Conversations. Melissa Leon

This book is the outcome of an idea, and the idea is very simple. It is that the best way to understand the dramatic transformation any idea can bring and to successfully bring ideas across, is to think of them as profound insights and moments of clarity often disguised as wit, captured in one single Quote.

Ideas and products and messages and behaviors spread faster when they carry your message in a single line or paragraph: a Quote.

To feel the impact a Quote can have, here are three Proper Quotes from this book:

'Fathers should be neither seen nor heard. That is the only proper basis for family life. - Oscar Wilde'

'My first proper kiss was from Cara Shucksmith when I was 13 or 14 at her birthday party. - Robert Webb'

'The proper words in the proper places are the true definition of style. - Jonathan Swift'

Three characteristics—one, contagiousness; two, the fact that little words can have big effects; and three, that insight happens not gradually but at one dramatic moment, using the right profound words—are the same three principles that define how an idea takes off, or a product goes viral.

Of the three, the third, profound, trait... is the most important, because it is the principle that makes sense of the first two and that permits the greatest insight into why some ideas stick, some changes last, some words leave an impression, and others don't.

This book will give you the opportunity to find that right Quote that can change it all.
