"Well, what is the afterlife like?" Asked Allison.

"They have some nice trees." Death replied.

Allison Lakely, Sixteen and recently deceased, finds herself thrown into the bizarre roller coaster ride that is the Afterlife. With no fluffy white clouds, or a single free harp lesson in sight, Allison soon comes to learn that the Afterlife is far away from anything that she could have ever imagined.

With a cast of lively characters (pun not intended... Well, maybe a little), She Died With Gum In Her Hair, the first in the Better Place series, is a fantastic and hilarious read.
