Since Python never carried a gun, Martin was able to swoop down and wrestle Python to the floor. He wasn't expecting the strength that Python had. It came as a surprise to Martin. But, not as surprising as Python was at the strength this old man had. Python was impressed. Python threw some blows to Martin and Martin threw some punches back, knocking Python on his ass.

“Damn!” Python said as he was wiping the blood from his split lip that Martin had given him. “You’re a strong bastard for an old man.” Martin then lunged forward at Python.

Just as Python had snapped so many necks in his reign as a gang member and a gang leader, Martin took Python’s head in his hands and as he did to the others, he snapped Python’s neck and Python slumped to the floor twitching. Martin watched him writhe and convulse and then die. Martin took great satisfaction in watching the man who orchestrated the kidnapping and command for Emily’s death. Martin wasn’t about to let Emily die.
