This revised edition offers updated information and an expanded range of tools to support ADB staff and stakeholders to implement participatory approaches effectively. The updated content reflects ADB's new business processes and highlights key opportunities for participation in policy dialogue and throughout the project cycle, and advises on methods and approaches, as well as pitfalls to avoid. In this edition, special attention is given to safeguards, gender, governance, HIV/AIDS and infrastructure, and water and sanitation. A wealth of participation resources developed by a wide range of organizations exists online; this guide includes an inventory of references for those seeking further information.
