## **The Kokoschka Capers: A Megan Crespi Mystery Novel** Alessandra Comini

In this third book in the Megan Crespi Mystery Series, a major double portrait by the Viennese Expressionist artist Oskar Kokoschka showing himself with his lover Alma Mahler has been stolen from the Basel Museum in Switzerland. Left in its place is an exact duplicate, except that Alma has been replaced by an unknown woman. Retired professor of art history Megan Crespi, an expert on Viennese art, is called in to help with the investigation. Then, a second theft of fourteen crates of unknown Kokoschka artworks from a Viennese storage vault takes Megan to Vienna. There she meets by accident the mysterious multimillionaire Desdemona Dumba. A stunning anorexic, Desdemona feels it is her role in life to bring Kokoschka's lost works together and away from public scrutiny. Meanwhile, two individuals, Leo Lang and Bruno Fichte-Mahler, harbor fanatical interest in Kokoschka and go to extreme measures either to desecrate or to protect the artist's images of Alma. An endangered Megan pursues leads that take her from Basel and Vienna to Berlin and finally to Xenia, Desdemona's remote islet off the Greek island of Corfu. Includes Readers Guide.
