## **A History of the Amish: Third Edition** Steven M. Nolt

Authoritative, thorough, and approachable, this book brings together, for the first time in one volume, the history of the Amish, one of America's most intriguing people. Written by one of the foremost scholars in the field and revised and updated to include a look at how the Amish continue to thrive and grow, despite change, tragedy, and the media's constant fascination with their community.

The Amish, one of America's most intriguingly private, unique, and often misunderstood religious communities, have survived for 300 years! How has that happened?

While much has been written on the Amish recently, little has appeared about their history. This book brings together for the first time in one volume a thorough history of the Amish people. From their beginnings in Europe through their settlement in North America, the Amish have struggled to maintain their beliefs and traditions in often hostile settings. Now updated, the book gives an in-depth look at how the modern Amish church continues to grow and change. It covers recent developments in new Amish settlements, the community's conflict and negotiation with government, the Nickel Mines school shooting, and the media's constant fascination with this religious people, from reality TV shows to romance novels.

Authoritative, thorough, and interestingly written, *A History of the Amish* presents the deep and rich heritage of the Amish people. Dozens of illustrations and updated statistics.

Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
