Screwdrivers (21st Century Junior Library: Basic Tools) Josh Gregory

Screwdrivers are among the most commonly used tools in any handyman's or handywoman's arsenal. This book will help students develop word recognition and reading skills while discovering what these incredible tools can do and how they do it. They will also find out how different kinds of screwdrivers can be used to tackle specialized projects. Additional text features and search tools, including a glossary and an index, help students locate important information and learn new words.
