Valerie's long dry spell is about to end, catapulting her into a kinky BDSM relationship with a younger man.

She decided she'd make him teacher's pet. But he turned the tables on her, thanks to an incriminating videotape, and now she's become...the Billionaire's Pet.

Sexually unsatisfied professor Valerie Dewhurst takes her frustration out on her college class, teasing them with revealing clothing that shows off her voluptuous assets. Her last boyfriend was so...*vanilla*, and there's no replacement on the horizon.

She yearns for a man who will take charge.

A man who will treat her as she's always wanted to be treated.

A man who will fulfill her wildest desires.

What's the old adage? *Be careful what you wish for.*

Valerie's wish is about to come true. Rich, dominant, handsome college student Marcus approaches her after class offering sex with him in exchange for an "A" grade in the course. Valerie eventually gives in to temptation but quickly finds the tables turned when she winds up:

- dominated
- spanked
- humiliated
- exposed
- used
- videotaped
- and repeatedly denied orgasm

Spanked by Her Student, the 6,400-word first installment in the BDSM "Billionaire's Pet" series, explores dominance, submission, spanking, nipple play, orgasm denial and M/f sex.
