Taking Off the Tag Clark B. Hinckley

Taking off your missionary name tag, and all that goes with it, is unlike anything you have ever done before.

With so many changes and important life decisions ahead, you might be thinking, "I wish there was an MTC for life *after* the mission!"

Regardless of where you served, returning home has its own challenges.

This handbook, written by a former mission president and his wife, with input from more than fifty returned missionaries, is designed specifically to help you and other recently returned elders and sisters move into life beyond full-time missionary service.

Here you will find a variety of suggestions for making a successful transition:

- Dealing with change
- Setting goals and making plans
- Getting an education
- Dating and marriage
- Becoming a full-time disciple

Scripture references, points to remember, and suggested activities will help smooth your transition, whether you just stepped off the plane or have been home for a few transfers.

Great adventures and miracles still await you—the best is yet to come!

"One day when I deeply missed the Spirit that I had felt so often on my mission, I realized that I while I was a *returned* missionary I was not a *released* missionary. As I renewed the missionary practices that Clark and Kathleen recommend in this wonderful book, it brought the Spirit back into my life."

— Clayton Christensen
