*Hilary Neroni*

**The Subject of Torture: Psychoanalysis and Biopolitics in Television and Film** Hilary Neroni  
Considering representations of torture in such television series as 24, Alias, and Homeland; the documentaries *Taxi to the Dark Side* (2007), *Ghosts of Abu Ghraib* (2007), and *Standard Operating Procedure* (2008); and “torture porn” feature films from the *Saw* and *Hostel* series, Hilary Neroni unites aesthetic and theoretical analysis to provide a unique portal into theorizing biopower and its relation to the desiring subject. Her work ultimately showcases film and television studies’ singular ability to expose and potentially disable the fantasies that sustain torture and the regimes that deploy it.
