Deon Meyer

Trackers Deon Meyer

Lemmer's first rule is: "Don't get involved." A highly skilled bodyguard with a violent, criminal past, he has settled into a quiet life in Loxton, South Africa, where the rural tranquility has helped to calm his explosive temper. But when a wealthy farmer asks for his help in smuggling a pair of rare black rhinos out of Zimbabwe (where they are murdered for their horns), he has a hard time saying no. Before he knows it, Lemmer is on a small airplane, zipping across the border, an airsickness bag in his hand and a military-grade shotgun at his feet. Soon, he will regret the trip very much.

In *Trackers*, internationally-acclaimed thriller writer Deon Meyer expertly weaves together Lemmer's story with a missing person investigation and the machinations of a top intelligence agency. Wielding a phenomenal cast of characters, Meyer delves deep into the people, the breathtaking landscapes, and the politics and problems of this fascinating country. A #1 best-seller in South Africa, *Trackers* is an insightful novel that will take your breath away.

From reader reviews:

Richard Hunt:

Within other case, little people like to read book Trackers. You can choose the best book if you appreciate reading a book. As long as we know about how is important a new book Trackers. You can add understanding and of course you can around the world by the book. Absolutely right, mainly because from book you can recognize everything! From your country till foreign or abroad you will end up known. About simple factor until wonderful thing you are able to know that. In this era, we can open a book or even searching by internet device. It is called e-book. You need to use it when you feel uninterested to go to the library. Let's study.

Don Morris:

Here thing why this kind of Trackers are different and reputable to be yours. First of all reading through a book is good nonetheless it depends in the content from it which is the content is as delightful as food or not. Trackers giving you information deeper and different ways, you can find any book out there but there is no guide that similar with Trackers. It gives you thrill studying journey, its open up your personal eyes about the thing that happened in the world which is perhaps can be happened around you. It is possible to bring everywhere like in area, café, or even in your technique home by train. If you are having difficulties in bringing the published book maybe the form of Trackers in e-book can be your substitute.

Ella Norman:

Exactly why? Because this Trackers is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will distress you with the secret the item inside. Reading this book alongside it was fantastic author who write the book in such awesome way makes the content within easier to understand, entertaining means but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of rewards than the other book get such as help improving your ability and your critical thinking method. So , still want to hesitate having that book? If I were being you I will go to the reserve store hurriedly.

Patrick Garcia:

In this era globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The condition of the world makes the information better to share. You can find a lot of recommendations to get information example: internet, magazine, book, and soon. You will observe that now, a lot of publisher that print many kinds of book. The particular book that recommended for you is Trackers this book consist a lot of the information in the condition of this world now. This book was represented so why is the world has grown up. The words styles that writer use to explain it is easy to understand. The actual writer made some exploration when he makes this book. Honestly, that is why this book suited all of you.
