Inferno (The Jinn Trilogy Book 2) Liz Schulte

Olivia's once-shining light now blazes with the fury of an avenging angel, leaving ruin in her wake. Gone are the days of soft hearts; endless compassion doesn't win wars with Hell.

Without an anchor to his human self, the jinni side of Holden grows stronger every day. Giving into his true nature might mean losing the one thing worth living for, but it's the only way to stop the rise of a darkness even the angel cannot defeat.

Every decision they make to re-establish balance in their world causes ripples through the universe, changing paths and intentions of even the most stalwart of friends. All it took was a single death to make waves through the Abyss. Now the lives of five people have been changed forever. No one will make it through unscathed.

From reader reviews:

Melissa Sands:

Information is provisions for anyone to get better life, information these days can get by anyone in everywhere. The information can be a information or any news even an issue. What people must be consider whenever those information which is within the former life are hard to be find than now is taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you get the unstable resource then you get it as your main information it will have huge disadvantage for you. All of those possibilities will not happen inside you if you take Inferno (The Jinn Trilogy Book 2) as the daily resource information.

Lena Garcia:
