La noche de la tempestad (Spanish Edition) César Vidal

Un suceso secreto en la vida del dramaturgo William Shakespeare marca su vida para siempre con el signo de la venganza.

1616. William Shakespeare, el autor más importante de Inglaterra, acaba de fallecer...

En apariencia, todo resulta normal cuando sus familiares y amigos son citados para la lectura de la última voluntad del escritor. Sin embargo, las disposiciones contenidas en el testamento desafían toda lógica. ¿Qué ha impulsado a Shakespeare a dejar a su esposa tan sólo su «segunda mejor cama»? ¿Por qué una de sus hijas recibe únicamente un tazón? ¿Qué le ha movido, por el contrario, a nombrar a otra de ellas heredera de todos sus bienes? ¿Qué lógica -si es que la hay- se oculta tras ese absurdo testamento? Partiendo de este punto de arranque rigurosamente histórico, *La noche de la tempestad* nos lleva, a través de unas horas de literatura y magia, a recorrer la vida de Shakespeare descubriendo una clave oculta para la lectura de sus obras y para la comprensión de un testamento que constituía la consumación de su existencia.

Construida a partir de un profundo conocimiento de la época y de los textos de Shakespeare, *La noche de la tempestad* es una novela enigmática y subyugante que, de manera sutil y misteriosa, nos permite sumergirnos en las pasiones eternas del ser humano, del amor a los celos, de la venganza a la ira, del rencor a la codicia, abriéndonos así la puerta al amor y a lo sobrenatural, como realidades extraordinariamente cercanas a nosotros.
