Expert help for understanding the Bible

Each volume in the Understanding the Bible Commentary Series breaks down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers. They present a careful section-by-section exposition of the biblical books with key terms and phrases highlighted and all Hebrew transliterated. Notes at the close of each chapter provide additional textual and technical comments for those who want to dig deeper. A bibliography as well as Scripture and subject indexes are also included. Pastors, students, and Bible teachers will find in this series a commitment to accessibility without sacrificing serious scholarship.

This volume includes commentary on the first six books of the Minor Prophets: Hosea, Joel, Amos, Obadiah, Jonah, and Micah. Though varied in setting, style, audience, and theme, these books share at least one commonality: each is an important message from God. With interpretive skill and theological passion, Achtemeier helps the reader see the importance of these messages for today.

Elizabeth Achtemeier was adjunct professor of Bible and homiletics at Union Theological Seminary in Virginia. She was the author of a number of books, including *Nature, God, and Pulpit* and *Preaching from the Old Testament*.
