**Reading Development and Difficulties (BPS Textbooks in Psychology)** Kate Cain

*Reading Development and Difficulties* is a comprehensive and balanced introduction to the development of the two core aspects of reading: good word reading skills and the ability to extract the overall meaning of a text.

- Unique in its balanced coverage of both word reading and reading comprehension development, this book is an essential resource for undergraduates studying literacy acquisition
- Offers wide coverage of the subject and discusses both typical development and the development of difficulties in reading
- Accessibly written for students and professionals with no previous background in reading development or reading difficulties
- Provides a detailed examination of the specific problems that underlie reading difficulties
