**Wilderness Rising (A Church Builder Novel) A.L. Shields**

**From A. L. Shields—pseudonym for *New York Times* bestselling author Stephen L. Carter—comes the thrilling sequel to *The Church Builder*.**

**It began as a search for the truth about her best friend's death. Now Bethany Barclay is caught in the ultimate struggle to keep faith alive.**

The Wilderness, an ancient cabal bent on destroying Christianity, has murdered Bethany's best friend, framed her for acts of terrorism, and captured the brilliant teen hacker she vowed to protect. To ransom the girl, Bethany must traverse England and Europe to find the Pilate Stone—a mysterious first-century artifact that might not even exist.

She's not the only one who wants the stone. The Garden, a powerful group of intellectuals sworn to save the Church and help Bethany, is willing to betray her to achieve their higher goals. And a mysterious third faction lurks in the shadows, waiting for her to stumble.

Alone and on the run in this international landscape of double and triple agents, Bethany's quest becomes an ever more complex and dangerous contest against players who don't play fair.

In this riveting sequel to *The Church Builder*, many of A. L. Shield's cunning characters are ruthlessly devoted to preserving a world where faith is possible. Others aim to brutally, and finally, undermine belief.

Including Bethany's.
