Hands-On Earth Science Activities For Grades K-6 (J-B Ed: Hands On) Marvin N. Tolman

This is the second edition of Marvin N. Tolman's bestselling book *Hands-On Earth Science Activities for Grades K-6*. Like all the books in *The Science Problem-Solving Curriculum Library* series, this revised edition offers compelling activities that help teach students thinking and reasoning skills along with basic science concepts and facts. The book's activities follow the discovery/inquiry approach and encourage students to analyze, synthesize, and infer based on their own hands-on experiences. This new edition includes an expanded Teacher Information section, inquiry-based models, and complex cooperative learning projects using materials found around the home. Many of the activities easily become great science fair ideas as well as activities that correlate with the national standards.

Designed to be user friendly, the book includes easy-to-use, hands on activities and is organized into eight sections:

Air

Water

Weather

The Earth

Ecology

Above the Earth

Beyond the Earth

Current Electricity
