How Have Deployments During the War on Terrorism Affected Reenlistment? James Hosek, Paco Martorell

This research sought to understand how recent deployments have affected reenlistment by examining trends in deployments and reenlistments, developing a theoretical model, and conducting an econometric analysis of survey and administrative data to identify the effect of deployment, by service, on reenlistment. It also examined the role of reenlistment bonuses in maintaining reenlistment levels during the war on terrorism.
