Karren Brady's 10 Rules for Success are the secret to getting ahead for working women everywhere!

Combining advice on how to balance a family and career with tips on how to embrace ambition, this short guide boils down Karren's advice for women everywhere into a manageable list of ten key rules for work and life that have helped her become successful, independent and Britain's best-known business woman.

These ten rules reflect Karren's belief that being a successful woman isn't about aiming for the mythical 'having it all', it's about working what you want, aiming high and digging in your heels.

"Over my working life, I have learnt that certain skills, habits and attributes are essential to achieving success. You will not instantly master them all. It will take time and practice. But if you follow these ten rules – and importantly keep trying to follow them – you will get very far along the road to where you want to go. That I can promise you." Karren Brady

Karren Brady's 10 Rules for Success is an extract from Karren Brady's business autobiography, Strong Woman.
