JOSE GUSTEMS CARNICER

Música y sonido en los audiovisuales (eBook) (Spanish Edition) JOSE GUSTEMS CARNICER

La banda sonora de un audiovisual es claramente la unión entre las artes: la música y la imagen interactúan, el sonido forma un entramado inseparable con el resto de elementos visuales. Este libro ofrece, gracias a la diversidad de los autores, una visión dilatada e intermodal del tratamiento sonoro en las imágenes desde la filosofía de la comunicación, el montaje audiovisual, la música, la psicología, la física y la comunicación audiovisual, siguiendo las nuevas tecnologías en música así como las últimas aportaciones en el sector. Música y sonido en los audiovisuales contiene numerosos ejemplos, tanto de obras y géneros, en distintos países, como de posicionamientos diversos en este ámbito. Con un enfoque práctico que busca la utilidad de sus contenidos, está destinado a un público amplio que se interesa por el cine y sus aspectos acústicos, narrativos, emotivos y comunicativos.
