students the basics of how to clearly distinguish fact from interpretation and opinion. Direct instruction, models, exercises, and writing assignments will help you teach students how to read non-fiction, recognize an author's biases, and ultimately avoid being swayed by them. All of the selections are completely unabridged, unadapted, and annotated — so you can choose to teach the whole work, or just a few pages. This comprehensive book includes both historically significant texts like the Declaration of Independence and contemporary pieces like Pulitzer Prize-winning editorials and blog entries by New York Times best-selling authors. Perfect for AP Language and Composition classes, Reading and Analyzing Non-fiction is also great for general literature courses — even writing courses — to give your students models to analyze and follow. Whether you want a text to teach your students active reading and analysis skills or simply want the best collection of non-fiction passages available, Reading and Analyzing Non-Fiction: Slant, Spin, and Bias is the book you're looking for.
