Shift!: Moving from the Natural to the Supernatural Ken Harrington, Jeanne Harrington

God said that we were to subdue the earth and have dominion over every living thing including the power of the enemy. We can't even begin to think in those terms because our experiences don't conform to that image of our authority. We need to start seeing things through God's eyes and start LIVING OFF THE GRID of our limited mindsets. Jesus could raise the dead, heal the sick, set captives free, rule the weather, change the economy, and drive out demonic influences. Jesus said we could do the same things if we have faith but not by using soulish power. Trying harder, changing laws, and devising more efficient systems won't change hearts or overcome the forces arrayed against Christ's kingdom. Ken and Jeanne demonstrate through the scriptures and their own journey how to access the halls of power by the Spirit. Let God impose His super over your natural and change your world.
